SEE THE FUTURE

NO LIMITS.

The Spa Experience

Control My Spa was Created to deliver a spa experience beyond anything ever seen in our industry before.

FOR THE SPA PROFESSIONALS

- **Peace of Mind for Your Customer**
 - Upsell remote monitoring
- **Like Being Onsite**
 - Access to all spa information
 - Real-time operational data
- **Push Notifications & Messaging**
 - Problem alerts
 - Error Codes
- **Diagnose the Fix Before You Arrive**
 - Know what part(s) you need

Peace of Mind

We are so passionate about what we do, we never stop doing amazing, innovation things.

We Provide...

Spa Professionals real-time access to the tub so you will think you are actually standing next to it.

We provide peace of mind for your customer, new app features, the ability to schedule events and smart heating so your spa is ready when you are.
